Dwelling in
GOD'S PRESENCE

DWELLING in God's Presence

Every problem you're facing today will be solved based on how much you dwell in the presence of God. That's significant! The word "dwell" denotes a fixed position, not something that occurs sporadically. You have to abide there. Sad to say, many Christians only visit the Lord and only when they're in trouble. If you're going to be a victorious Christian, you can't meet with God for just an hour a day or when you're in a crisis.

Joshua 1:8 says,

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

I know that some of you might think, 'Well, that's pretty simple.' If it's so simple, why does it seem most Christians aren't prospering or having success? Most of the promises of God - probably more than you realise - are conditional upon you dwelling in God's presence.

Are you anxious? Do you hate your job? Is your family worrying you? These are all symptoms of not dwelling in God. In Isaiah 26:3, it says, "[the Lord will] keep him in perfect peace, whose mind is stayed [upon him]" (brackets mine). The word "stayed" means to grab hold of. It means you don't let go, like a bulldog. When you stay fixed on God, you will never suffer lack, loss or fear. The Scripture says that you'll "abide under the shadow of the Almighty" (Ps. 91:1). You need to get to the place where, praise God, you are living in the presence of God.

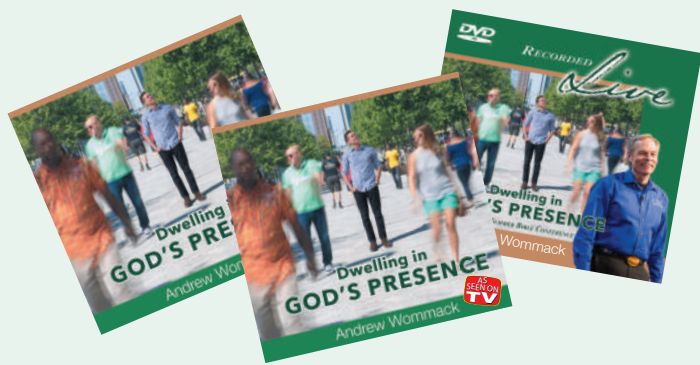

I believe that the majority of problems people have is because they aren't always aware of God's presence. If they were, it would change their thoughts, their emotions and their actions. Proverbs 3:6 says, "In all thy ways acknowledge him, and he shall direct thy paths." You cannot acknowledge God in all your ways if you are not first aware of Him. God's already blessed you, but in order for what He has done to manifest in your life, you need to respond to His presence. In other words, He's written you a cheque; you just need to cash it. You won't prosper and really succeed until you do. I hope you're getting what I'm saying.

"Staying" your mind, specifically your imagination, upon God and not allowing yourself to imagine failure, is a very important part of receiving from Him. Part of using your imagination is to take Scripture and meditate - that is, focus - on it day and night and see yourself doing it:

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. [2] But his delight is in the law of the LORD; and in his law doth he meditate day and night. [3] And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

Psalms 1:1-3

To increasingly become aware of God's presence in your life, you need to use your imagination. No, it's

not kids' stuff. Among many things, it's how you picture what God has said to you. It's how things get written on your heart. It's where you really begin to see the power released in your life.

To do these things, you need the power of the Holy Spirit in your life. When I received the baptism of the Holy Spirit, it changed me forever. I know from experience that a believer wasn't going to get very far without the power of the Holy Spirit.

This month, I'm offering a brand-new teaching called ***Dwelling in God's Presence***, available in CD and DVD formats. I share what I believe to be truths that will change the way you relate to God. This is important! It's the normal Christian life. Everyone needs to get to the place of living in the presence of God. You can order this teaching today by going online: www.awme.net, calling our Helpline: +44(0)1922 473300 or completing the enclosed form and mailing it back to us.

All of these promises, and really everything in the Word of God, are for you, but you have to be conscious of them. You have to renew your mind, and you have to be aware of these things. It's not a matter of God's faithfulness; it's a matter of your faithfulness to Him and His Word. You've got to get to where you are laser focused on God. He longs for you to abide in Him and to see you prosper and succeed. I promise that when you abide in Him, it changes your heart, touches God's, and causes you to bear much fruit. It does something for you and to you. These materials will be a blessing to you or someone you know.

Thanks to friends and partners like you, the message of the Gospel of Christ is being preached all over the world! We at *Charis Bible College World Outreach* use funds to establish Charis Bible Colleges in order to go into all the nations and disciple. Many schools are in existence because of the gifts that our friends and partners give.

As a part of reaching the nations, your contributions have helped in the translation of the first-year curriculum into Spanish, with twenty-two out of the thirty-nine courses completed. As Spanish is the second most spoken language in the world, this is no small task that will forever change the future of Charis Bible College!

We're still not done! With more courses yet to go, we need your help to make this mission of reaching the Spanish-speaking community with the Gospel a reality. However, the fact that these materials are not yet completed in no way stops our students from reaching out to Spanish speakers with the love of God.

At our Dallas campus, the students started a food drive and collected canned goods and groceries to feed fifteen needy Latin American families in the community. In each sack was food, a \$25 gift certificate, and a book by Andrew Wommack that was in both English and Spanish.

reaching the Spanish speaking world

The Dallas team also went to a Spanish speaking church, where one of the students is the pastor. They not only delivered the gifts but also got to pray over each family. The news must have spread because reports were given of people coming to the Dallas campus from everywhere, wanting prayer to receive their healing!

This is just one of the many examples of the fruit that is coming from *Charis World Outreach* as we continue to establish schools around the world. **Will you give financially and become a part of the mission with us?**

When you give to *Charis World Outreach*, you are not only aiding in the translation of materials, but you are also assisting in spreading the Gospel of Christ to the nations of the world. You are making an eternal difference in the lives of people whom you may never meet.

The demand for schools is great, and it grows with every passing year. New schools are being planned to meet the requests *Charis World Outreach* gets from all around the world!

No one is better suited to take on this task than Gary Luecke, the new director of *Charis World Outreach*. Gary has a BA in Business Administration from Lamar University and is a 2005 graduate of Charis Colorado, where he also

serves as the director of the school's main campus.

Gary's desire is to see people pursue God with all of their hearts and discover God's destiny for their lives. It is this desire that will help propel *Charis World Outreach* into the future as we continue to establish schools and disciple the nations.

We are blessed to be a blessing to others. **Help us take that blessing to the corners of the world.** We are thankful for your sacrifice to bless others and are excited in teaming up with you to take the Gospel of Christ to the nations!

MEET

a few of our charis heroes

When my mum called to let me know that Charis had a Spanish extension school in Querétaro, I could not have imagined the big changes this would bring to my life. I started to better know God and His love for me, my position before Him and what Jesus did for me at the cross. My relationship with the Holy Spirit changed when I understood that He doesn't condemn me but that He really is my Helper. All of this has changed the way I see myself and, therefore, has changed my relationships, improved my marriage and has affected many other aspects of my life.

Second-Year Charis Mexico Student

Having the classes and materials in Spanish has been a huge blessing for my classmates and me! As native speakers, we are able to receive so much more than we would have, listening to everything in both languages and hoping the simultaneous translation catches everything.

T rue giving involves much more than just the act of giving money. It is fellowshiping with the person to whom you are giving it. Have you ever thought of the fact that partnering with a ministry began in Biblical times?

Paul referred to his partners several times in Scripture, but he spoke the most highly of those in the church at Macedonia. For several years, Paul had devoted himself to a collection for the poor saints in Jerusalem and modelled for these new believers how the receiving and distributing of gifts was an aspect of Christian fellowship.

But now I go unto Jerusalem to minister unto the saints. [26] For it hath pleased them of Macedonia and Achaia to make a certain contribution for the poor saints which are at Jerusalem. [27] It hath pleased them verily; and their debtors they are. For if the Gentiles have been made partakers of their spiritual things, their duty is also to minister unto them in carnal things. [28] When therefore I have performed this, and have sealed to them this fruit, I will come by you into Spain.

Romans 15:25-28

Paul was making the Roman church aware that these Gentiles were ministering with their substance (carnal things) because they had been partakers of the Jerusalem church in spiritual things.

In the second letter to the Corinthians, Paul was again encouraging believers to give. Specifically, he was exhorting the Corinthians to recommit to their partnership with him. The Corinthian church had earlier pledged their partnership, but somewhere along the way, they lost their focus. Therefore, Paul was exhorting them to "take on the fellowship" of partnering again:

Moreover, brethren, we do you to wit of the grace of God bestowed on the churches of Macedonia; [2] How that in a great trial of affliction the abundance of their joy and their deep poverty abounded unto the riches of their liberality. [3] For to their power, I bear record, yea, and beyond their power they were willing of themselves; [4] Praying us with much intreaty that we would receive the gift, and take upon us the fellowship of the ministering to

the saints. [5] And this they did, not as we hoped, but first gave their own selves to the Lord, and unto us by the will of God. [6] Insomuch that we desired Titus, that as he had begun, so he would also finish in you the same grace also.

2 Corinthians 8:1-6

The Greek word here that was translated “fellowship” is *koinonia*, and it means “partnership, i.e. (literally) participation, or (social) intercourse, or (pecuniary) benefaction” (Strong’s Concordance). The Corinthian church did not only enable Paul to help the poor saints in Jerusalem, but they “fellowshipped” with him as partners in that endeavor. Therefore, they would reap the same rewards Paul would, as if they had done what he was doing. What a great example of partnership!

As partners with us, you are fellowshipping with us and helping to change the lives of those who are touched by the message God has given Andrew. By helping us to spread the Gospel of grace as far and deep as we can, we share in the victories and testimonies that come in.

Rejoice with us as you read this amazing healing of a twenty one year old from India that occurred when he learned how to receive the truth of his healing.

I live in the northeast part of India and I want to share my testimony. I am twenty one years old. I was suffering from allergic rhinitis and bronchitis for the last four years. Though I took medicine, it only removed my symptoms for some time, but later my problems returned. I tried homeopathic, allopathic, and Ayurveda treatment, but none of it worked. I always heard from many preachers: “Believe that you receive and you shall have it.” But that confused me. How can I believe without receiving? However as I was hearing your audio series about healing, Living in the Balance of Grace and Faith, How to Become a Water Walker, and others, I understood that healing is a done deal - just receive. Now my question was, “How do I receive?” I found out that we receive by being thankful. I started thanking God that He healed me even though the symptoms were attacking me. I said, “By His stripes, I was healed” (1 Pet. 2:24).

I started professing and believed that if Jesus has taken my sickness away and healed me, why should I take medicine? When symptoms attacked me, I commanded them to die and declared what Jesus already did. For one week, I had a battle in my mind. My mind would say, “Will you be healed?” But as soon as this thought came, I would listen to the audio series on healing, grace, faith and the finished works of Jesus. Today after one week, I testify that there is no longer a wheezing sound in my respiratory organ, no more itching in my nose, no more coughing and no more bronchial problems. My sinuses have also become small again. Praise God I am healed! Thank You, Jesus my Lord. All glory belongs to Jesus only. I thank Andrew Wommack Ministries for free audio downloads. Thank you.

R. S., India

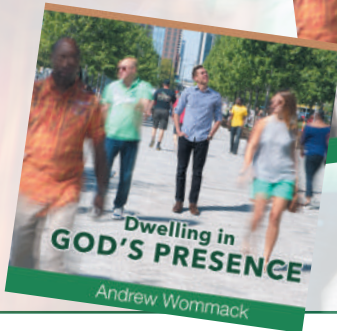

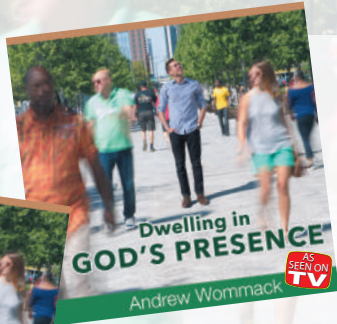

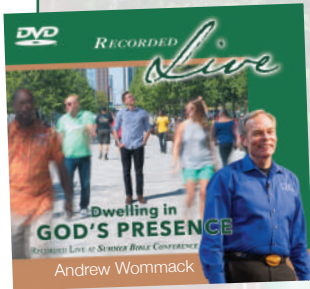

Although you may have never gone to India or never plan to go, your faithful partnership makes this man’s testimony your victory as well as ours. Those of you who are working together with us as we make the truth of God’s Word available across the globe, this testimony is a testament to your fellowship with us in the Gospel. Hearing the truth of God’s goodness and grace made this man free, and he learned to live by faith - not just by what he saw to be evident in his body (Rom. 1:17).

For only coins a day, we are in *koinonia* together. Thank you for your fellowship and partnership with us in the nearly too good to be true Gospel of Jesus Christ!
