Spirit, Soul & Body

WHO Do You Think You Are?

God's Word is the only way to access what's happening in your spirit. You can't go by how you feel or even your experiences. Experiences can grab your attention or touch you, but only the Word of God can truly reveal what's going on in your spirit. There is a spiritual you, and in the spirit, you are perfect.

Over in 1 Thessalonians 5:23, Paul prayed, *"And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ."* There are many verses that say this, but this one puts it all in one. It's really clear that you have a spirit, soul, and body - not just a body and a soul, but three parts to you.

On the inside of every Christian, there is a completely brand-new person that most don't have a revelation of. Even if they've heard of their inner man, functionally they don't live according to it. They live and face their problems based on their physical ability and what they feel. If you control your thinking with what is true in the spirit, it'll control your feelings. All you'll experience is life and peace. Romans 8:6 says,

For to be carnally minded is death; but to be spiritually minded is life and peace.

God began speaking these truths to me through His Word, and I started relating to Him based on faith in what the Bible says. It has changed my life. I'm telling you, there are so many Christians looking for some type of experience or some external thing that's going to change their lives! But it's the Word that's the foundation for everything.

The Word of God is what will change your life. The reason you may be living under the thumb of the devil is because you don't know who you are or what you have. I want to share with you some of the things the Lord has shown me through His Word. If you can get this, it'll transform your life. You don't have to be carnal, looking only at the physical realm. You can go by what's true in the spirit! In the spirit is the real you, and it's the parent force. If you go by it, it'll change how you relate to God and everything in your circumstances. When you discover who you are, you're going to be stronger than horseradish!

This month's special offer, *Spirit, Soul & Body*, is available as a CD or DVD series as well as a book, study guide, and illustrated DVD. Also, we've just released Charis Bible College's new worship album, *We Come Alive*. You can get that for £15. Order by going to www.awme.net, calling our Helpline: +44 (0)1922 473 300, or completing and returning the enclosed order form. You will be blessed!

We love you,

Andrew and Jamie

We Come Alive, £15

CONSTRUCTION Update

Pausing - Not Halting

As you've heard me say many times, the Lord told me to build everything at *The Sanctuary* debt free. At the end of December, we hit a financial shortfall that left me with no option that I could see but to temporarily stop construction until we recover. You can see my recent construction update on our website to get more information.

The construction pause has pushed our completion date from August 2016 to an unknown time. If we had \$3 million per month to spend on construction, we could be in *The Auditorium* by December of this year. If we could spend \$2 million per month, it would be March or April 2017. If we only spend the \$791,000 per month that is currently pledged toward this

construction, it would be August or September 2018 before we get in. That would be a two-year delay from our original plans.

Just today, my staff informed me that city codes may force us to start limiting attendance at our conferences. I refuse to lose the momentum the Lord has given us, so we are exploring other options, like having our Charis Bible College students watch our conferences via live stream down at our Colorado Springs facility. We will come up with a way to accommodate people who want to come, but this clearly shows that the auditorium, offices, and classrooms we're building are not a luxury but a necessity now to facilitate what the Lord is doing.

I wanted to keep you informed of what's going on. When I told my executive team that I was disappointed to have to halt things, they corrected me and said that we're pausing, not halting. I believe that's from God! So, I'm encouraged. The Lord has assured me in many ways that all of this and much more *will get done*.

Thank you for praying with me about this. Together we are making a huge difference in the lives of many people, and these assets will multiply our effectiveness many times over. It will get done quickly, in Jesus' name.

Andrew Thomack

Become a **Grace Partner** with Andrew to change lives that will change the world!

With just a dollar a day, you will be helping ensure the completion of Phase II - the expansion project for Charis Bible College Colorado. This new facility will make it possible for us to receive the growing number of students who are waiting to be equipped for God's call. Help make the vision a reality by becoming a **Grace Partner**.

Join us at www.awme.net/give or fill out the enclosed form. You may never fully know, this side of heaven, the impact you make.

Thank you for your support!

LIVING Devotional

Born Again...Again?

If they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put him to an open shame.

Hebrews 6:6

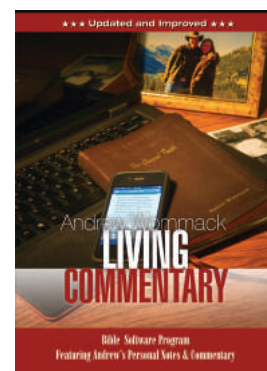

This verse isn't speaking of someone sinning or failing God in some area. This is speaking of becoming an apostate. That is what the Greek word *parapipto*, which was translated "fall away," means. This same thing is described in Hebrews 10:29:

Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace?

Hebrews 6:6 is clearly saying that once people willfully reject the Lord and have enough maturity to know what they are doing, as described in Hebrews 6:4-5, it's impossible for them to be born again, again. There is no more sacrifice for their sins. Jesus dealt with their sins once. And if they reject that, He will not die for their sins again. Instead of these verses teaching a loss of salvation every time we sin and that we have to repent and get back into the grace of God, they are proclaiming just the opposite. If people do renounce their salvation, they can never recover from that.

If it were true that after we are born again we lose our salvation when we sin and are "backslid" and in a damned state until we repent and get back into salvation, then the best thing to do would be to kill all new converts as soon as they were saved. That would be the only way they could ever retain their salvation. That is a foolish religious doctrine. 🤖

(Taken from Andrew's *Living Commentary*)

I deal with many other religious doctrines - as well as hundreds of other topics - in my *Living Commentary* software program. Get it here:

Putting Charis Walsall on the map

Charis Walsall is situated in the heart of the UK, near Birmingham in the West Midlands. One of this college's attractive features, apart from the wonderful way in which the Word is taught, is that you will find people there of all ages, nationalities, cultures, educational and work backgrounds and church denominations, drawn by the same thirst to know more of the pure unadulterated gospel truth. It is a pleasure to be part of this community.

First year students imbibe the Word through the video-teachings of varied and wonderful teachers such as Andrew Wommack, Barry Bennett, Wendell Parr and more, covering such foundational subjects as 'Basics of Righteousness', 'Sure Foundation', 'Relationship with God' and more. Second year students receive a similar diet, all based on the Word, but also start to learn how to give prepared talks and impromptu talks. A highlight of the second year is going on a mission trip for which students raise all their own funds. A twice yearly college event, the Sponsored Prayer Walk, is one way of students raising this money, and this year we walked several laps around the local arboretum whilst enjoying prayer and fellowship with one another on the way. Another highlight was street evangelism in Walsall town centre with fellow second year students visiting from Charis Colorado on their own mission trip. There was excitement as the students reported healings, conversions and baptisms in the Holy Spirit upon their return. Third year students are leaders in the college and their courses are designed to equip them for ministry in whatever area God is calling them to, whether it be Business, Ministry, Missions, or anything else. A team of third year students co-ordinates the Charis Healing Night which is held on the second Wednesday of each month. Members of the public are invited to come and learn how to administer

healing as well as receive prayer for healing from 2nd and 3rd year students who have been trained to pray in the way the Bible teaches us. It is always a powerful time as we worship, hear teaching from students and staff, and then have an opportunity to ask further questions in small groups. In all years, the Word is working in peoples' hearts, lives are being radically transformed, and another group of students is on its way to finding, following and fulfilling the will of God for their lives.

Our college year consists of 3 terms of 10 weeks and is packed full of activities. Each morning staff and students congregate in the auditorium for worship, led by one of our student worship teams. This is often a creative time where God can speak to us and we can share words of knowledge and scripture. We also share communion together on a weekly basis. After Worship, the day continues with 3 lessons and ends at lunchtime when we congregate again in the Charis café to enjoy good food and fellowship. Night School meets on Tuesdays and Thursdays and takes students through their first year of study over a 2-year period. Many travel a good distance, knowing that it will be worth their while as they persevere and see the change in their lives. Many of our alumni also come in on a regular basis to invest their time and care in the current student body and to assist college staff in the classroom or with other activities.

Students serve on teams at the conferences that we host throughout the year - including the European Ministers' Conference in October. It's an honour for students to meet Ministers from all over Europe who have come to Walsall to hear Andrew's and Bob Yandian's teaching and encouragement. Whether it be in the car-park, café or stewarding, serving on

team provides plenty of opportunities for organisational, communication, and leadership skills to be learned, developed and honed. True submission to one another in love will be key in all our learning and in the success of any joint venture. As students develop a servant heart, they become great leaders themselves, leading with love, understanding and determination.

Our greatest effort at team work comes in the preparation for the Grace and Faith Family Conference which takes place in Telford at the end of May and is the culmination of the students' year and also the occasion on which they graduate. Charis students are responsible for the planning and organisation of the children's and young people's work at this event. For many months leading up to it, student teams decide on teaching themes, make props, plan games, practise worship songs, hone their face painting skills among many other things, and get excited about the wonderful time they have envisioned for the folk who have signed up to their groups. It truly is an amazing time of ministering to the children and young people. For the students, being able to impart to others what they have learned and seeing them receive it, is an awesome thrill.

On a daily basis, Charis Walsall is a lively place, where love and fellowship are forthcoming between staff, students and visitors. You are welcome to call in and join us to discover more of this for yourself.
