A silhouette of a man in a suit stands on a dark, rocky outcrop, holding a tablet computer. He is positioned on the left side of the frame, facing right. The background is a dramatic sky at sunset or sunrise, with a bright sun partially obscured by clouds, casting a warm, orange and yellow glow. The sky is filled with scattered, dark clouds that catch the low light of the sun.

WHAT It Takes to Receive Healing

Christians have been polluted by so many ideas on how to get healed. If you believe you're healed because of something you feel, you may manifest that healing because of the grace and mercy of God - but you're subject to problems because you put your faith in something physical. Feelings aren't of the devil; they just need to be submitted unto Jesus.

There is no bad way to receive healing. I'll lay hands on you until I rub all the hair off your head if that's what it takes! But there are better ways to get healed than others. In the Old Testament, God was doing miracles and healing people on credit. Healing was harder to come by, and it had to come by a person. However this was appropriate in the Old Testament. Now everything has changed because of Jesus. Sad to say, the vast majority of the body of Christ is still operating under an Old Testament model. They are waiting for a super duper to lay hands on them to get them healed, but many Christians don't realize that God has already given them everything for "life and godliness" (2 Pet. 1:3).

The best thing I have to offer is what the Bible has to say. Satan cannot change the Word of God. It's important that you get this. In John 20:29, Jesus said, "*Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed.*" There is a greater blessing when you get to where you believe the Word and not just because you saw or felt something.

You need to take the word that's already been given to you and stand on it. First Peter 2:24 says, "*Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed.*" You're healed. Now act healed.

I don't care if I ever see or feel the power of God again; I'm going to take the Word of God and believe I am healed. I want the greatest manifestation of power operating in my life. I don't want anything less. You have a covenant with God that says He's already healed you. It's already done! It's not a question of if God will heal you; He's already healed you. It's a matter of when you are going to believe with all of your heart. When you believe it's already done and you're not trying to get healed, you'll see that healing manifest - without anyone laying hands on you.

This month, I'm offering a *Healing Is Here* package for £45. EXPERIENCE God with Us

A good story is timeless, no matter how many times it's told. This couldn't be truer than when referring to the Bible, the greatest story ever told, full of stories that are rich with twists and turns. This is the concept behind *God with Us*, the musical production that will be held at Charis Bible College in March 2016. It is written and directed by Robert and Elizabeth Muren, of Norway, Managing Directors of the AWM Theatre Company. Robert and Elizabeth came to Charis Bible College having performed over 100 shows in seven countries. They toured Israel with a musical that they

wrote called *The Covenant*. It has since been shown on Daystar Television, as well as performed in over fifteen countries around the world. They are currently in the beginning stages of a motion picture produced by Hollywood.

One of the things they have found is that there is a hunger among believers and non-believers alike to travel back in time and experience uplifting and powerful events up close. The lives of those highlighted in the Scriptures are still relevant today, and when brought to life through heartwarming

songs, dazzling sets, and lively actors, audiences are in for an experience with the Bible that they'll never forget.

Talented actors and singers will guide you on a unique journey through the events in history that have shaped lives for over 2,000 years. Laced throughout is evidence of a God who is relentless in rescuing His people.

If you've ever wanted to experience a Christian, Broadway-style musical, you don't need to travel to the bright lights and big city to enjoy a spectacular production. Right here, in the mountains of Colorado, a sixty-member cast will take to the stage this March, bringing to life a series of powerful stories from the Bible, centered on God's quest to deliver His people. You'll be led on a powerful journey as you experience the

slavery of Jochebed, follow Joshua as he leads the Israelites into the Promised Land, and witness as Esther risks her life to save her people. This original musical drama then brings to a finale the Word becoming flesh in the person of Jesus. You'll witness His miracles and the sacred moment when He becomes the ultimate sacrifice. It's a beautiful theatrical experience sure to inspire and delight audiences of all ages.

Join us for *God with Us*, coming Easter 2016 to *The Sanctuary* in Woodland Park, Colorado. Mark your calendars for March 17-20, 2016, and don't miss next month's life-changing event! *God with Us* is a story so inspirational, it will make you laugh, smile, and cry, and it will put into perspective the reason we are saved. LIVING Devotional

Forever Perfect

For by one offering he hath perfected for ever them that are sanctified.

Hebrews 10:14

Hebrews 10:10 says that Jesus' offering sanctified us once for all. This verse says that those of us who have been sanctified by Jesus' offering were also perfected forever. Hallelujah! This is radically different than what religion preaches today.

Most people believe they are only forgiven of things they had done in the past. Every time they sin, they think it is a new transgression that has to be "put under the blood" by confession and repentance. That's not so - Jesus sanctified and perfected us forever through one offering. He is not reapplying His blood to us every time we sin.

The way to understand this wonderful truth is to recognize that when we are born again, we receive new spirits that are created in righteousness and true holiness (Eph. 4:24). The new, born-again spirit is as holy and pure as Jesus is (1 Cor. 6:17 and 1 John 4:17) because it is His Spirit (Gal. 4:6). The moment we believe, we are sealed (vacuum packed), and sin cannot penetrate that seal:

In whom ye also trusted, after that ye heard the word of truth, the gospel of your salvation: in whom also after that ye believed, ye were sealed with that holy Spirit of promise.

Ephesians 1:13

When Christians sin, their bodies and souls participate and are affected by that sin, but their spirits are sealed and retain their holiness. That's the reason this verse says they are perfected forever. That perfection is in their born-again spirits (Heb. 12:23).

WE Just Couldn't Do It Without You

Dear Friend,

Jamie and I want to thank you for being a part of this ministry. Without you we could not touch all the lives that we are able to. I just came back from the *Ministers' Conference* in the United Kingdom and a series of meetings in Sri Lanka and South Africa. Because of your support, I am able to go all over the world and see people set free, healed, and delivered.

Also, at our Charis Bible College, it's exciting to see how many people are responding to the life-changing message of God's love and grace. I've spoken with many students who have been ministered to and whose lives have been transformed by attending school. One of the instructors who has really impacted them is Barry Bennett. His article below will bless you.

How to Bear Good Fruit by Barry Bennett

An apple tree is an apple tree by nature. From the moment that it begins its journey from a seed until it bears fruit, its nature doesn't change.

What changes are the visible, tangible realities of the tree as it grows and matures.

Not many would know by looking at the little sapling that it was is an apple tree, but years later everyone would know. Though it was always an apple tree, it didn't bear fruit for many years.

In life you only start at the top when you are digging a hole. No one begins as a mature believer with fully developed gifts and great influence. Just as a tree begins life as a seed, so do we!

How can you grow into maturity and bear fruit in this life?

-  **1. Do what God has placed before you with perseverance and faithfulness.** Put your hand to the plow in the field where you find yourself.
-  **2. Exercise your faith in the little things.** Faith is like a muscle. It needs exercise. Learn to walk by faith in every area of your life.
-  **3. Learn from others.** Be teachable.
-  **4. Serve others.** Be a blessing. Sow your life into those around you.
-  **5. Be prepared to step into new opportunities that stretch you.** Expect challenges and opportunities along the way. Don't be afraid to get out of your comfort zone.
-  **6. You establish the depth.** Let God establish the breadth. The deeper you go in your relationship with God, the more He can widen your sphere of influence. Let Him promote you. You won't need to promote yourself.

Please call us at +44 (0)1922 473 300 if you ever need prayer or encouragement in the Lord. We are here for you.
