GOT IT

IT'S Finished: You've Already Got It!

What do you need the Lord to do for you? Do you need the Lord to heal you? Do you need the Lord to make you more prosperous? **The truth is, you don't need the Lord to do anything for you.** He's already done His part. You've already got it, whatever "it" is.

This may sound crazy to some of you. You might be thinking: *But I've got a doctor's report that proves I don't have healing or You haven't seen my bank account.* Regardless of what the natural facts are, the truth is that God has already given you whatever you need.

Second Peter 1:3 says,

According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue.

The only thing we are lacking is knowledge.

Many Christians live in a constant state of trying to get God to do something. They are begging God to move on their behalf. They run from meeting to meeting, trying to get something from God. **But they've already got it.**

The Bible says,

Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ.

Ephesians 1:3

This says He "*hath blessed us with all spiritual blessings,*" meaning it's already done. **You already have all spiritual blessings.** So, asking God or waiting on Him to bless you is counterproductive.

Years ago, I was praying for healing for my son, who was very little at the time. I wasn't seeing him healed, so I asked God, "What's wrong?" **The Lord spoke to me, "You're fighting to get your son healed instead of fighting because he is healed."** You might say, "I don't see the difference." There's a huge difference! The Lord told me that I was trying to get Him to do something instead of defending my son's healing and just releasing what Jesus had already provided.

If you don't understand this, then I can guarantee you, this is one of the main reasons you aren't receiving from God.

For me, the key to understanding these truths was the revelation the Lord gave me that became the basis of my teaching *Spirit, Soul & Body*. God is a Spirit (John 4:24), and He moves in the spiritual realm. **A physical manifestation of what He has done in the spiritual realm is dependent on what we believe and how we act.** It's not up to the Lord to heal us. He's already healed us (1 Pet. 2:24). He has entrusted us to release His miraculous power.

Healing has already been provided. Financial prosperity has already been provided. Joy and peace and everything that you will ever need emotionally have already been provided. If you're having a down day, if things aren't going right, if you don't feel good, don't embrace discouragement and hopelessness. Don't *embrace* this stuff and say, "O God, I ask You to touch me. I ask You to give me joy." **The Bible says you've already received all these things.**

STOP Trying & START Enjoying

Remember Ephesians 1:3 says, *"Blessed be the God and Father of our Lord Jesus Christ, who hath [past tense] blessed us with all spiritual blessings in heavenly places in Christ"* (brackets added). Now, it says those spiritual blessings are in heavenly places in Christ, but they are in you because you are in Christ, which is what the next verse says:

According as he hath chosen us in him before the foundation of the world.

Ephesians 1:4a

You just start acknowledging the good things that the Word says are in you, and then your faith begins to be effective. You'll start seeing these things manifest in your life. It is so much easier than begging God or pleading with Him to move!

God has already done His part. When Jesus died on the cross, He said, *"It is finished"* (John 19:30). The Scripture reveals in Ephesians 1:20 that He is now seated at the Father's right hand. He's not working anymore. He's already done it. It is finished! He has already forgiven you. He's already healed you. He's already commanded His blessing upon you and your finances. He's already given you love, joy, and peace. **You don't need God to respond to you; you need to learn to respond to God!** It's easier to defend something you already have than to go get something you don't have.

That is so powerful, but this is where many Christians miss it. They know God can do all of these things, but they don't think He's done anything yet. They start from a position of unbelief. They are crossways with the Word of God. In regards to healing, the proper way to receive is to take Proverbs 18:21 - *"Death and life are in the power of the tongue"* - and begin to release this power over sickness and disease: *"I speak death to this sickness. I curse it and command it to leave. God, I speak the life that You've already put on the inside of me. I release it to flow through my body."*

This is how you start cooperating with God.

I've got a lot more to say about this, but I don't have the space in this letter. I encourage you to get my teaching. *You've Already Got It!* is the revelation that God used to change my life. I know it will change yours too! This teaching is available on CD and DVD and as a book and a study guide. To order, go to our website: **www.awme.net**, call our Helpline: +44 (0)1922 473 300, or complete and return the enclosed order form.

Thank you so much for your support. It helps us go around the world, teaching others about what is already theirs in Christ. You are a vital part of changing their lives!

You are blessed,

Andrew and Jamie

BIGGER than Ourselves

Have you ever felt like something was missing from your life, but you can't quite put your finger on it? You're walking with God. You're the best you can be for your family, your job, and your church. But still, you desire to be a part of something bigger than yourself. When you join in financial partnership with a worldwide ministry, such as Andrew Wommack Ministries, you have an instant global reach. Your personal impact in the kingdom suddenly has no bounds.

Andrew's partners understand this and readily share what partnership means to them:

"Partnership with this ministry is investing in thousands of people's lives being changed and taking the grace message to broken and hurting people. There is no way you can do that other than through partnering. It is impacting millions, if not billions, of people who are being set free."

Julianne Harris

"Andrew's taught me what partnership means. One of the examples he shares that I will never forget is, if you go to McDonald's to eat, you don't cross the street and pay Burger King. I was fed not only in my local church but also by Andrew. My wife and I wanted to give back to this ministry that really saved our marriage."

Layton Hein

"I think becoming a partner of Andrew Wommack has really raised me to a whole new level of understanding partnership. There's just a divine flow that comes from partnership. We hooked our wagon to Andrew, and really, I think he's hooked his wagon to us. He's very committed to his partners and to those who are faithful to him. I've never met a more faithful minister than Andrew."

Pastor Steve Dinkel

"We are a part of something much bigger than ourselves. And by partnering with Andrew, we are also helping Charis."

Mark Machen

Romans 10:14-15 describes this type of partnership so clearly when Paul asks, *"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? [15] And how shall they preach, except they be sent?"*

When you partner with AWM and

Charis, you're sending out an entire force of new ministers with every graduating class from Charis. You're reaching people in neighborhoods all over the world through Charis Bible Studies. And you're helping the satellite and television stations bring the Word of God to a potential 3.2 billion people.

Your reach suddenly becomes more than you ever dreamed possible when you join with Andrew Wommack Ministries. It will never again be all about "your four and no more." The harvest resulting from our partnership and the lives changed cannot be counted.

For more information and to partner with us, go to www.awme.net/give, or call our Helpline: +44 (0)1922 473 300. Let's do this together!

NO Distance to the Miraculous:

Brenda Severio's Student Journey

The word *distance* in Charis Bible College Distance Education means distance from the Colorado campus. It does not mean distance from the love and power of God. Brenda Severio, one of our distance education students, latched onto the truths she was learning and ran with them. Read what happened during a recent weekend.

I had a burning desire to grow in the gifts of the Spirit. This desire led me to Andrew Wommack Ministries and eventually to Charis Bible College's online courses.

During a three-day weekend, I experienced God's love and healing power flow through me on what I now call my "God adventures." One Saturday morning, I drove past a woman in a wheelchair being pushed by a younger woman. A little boy walked alongside them. I parked nearby and prayed; I knew God was leading me to minister to them.

I got out and introduced myself. I asked if I could pray for them, and the older lady said yes. As I prayed, the lady's arms and legs grew out. God removed the pain in her shoulder, knees, and lower back too. The woman stood up from her wheelchair and walked thirty steps up the sidewalk with no pain.

She no longer needed a wheelchair!

I then shared the Gospel with the young woman who was with her (her daughter). Glory to God, she gave her life to Christ! Then I saw the little boy, the woman's grandson, with tears streaming down his face. When I asked if I could pray for him, the little boy choked up and began to cry even harder.

The moment I laid hands on him, he exclaimed, "My legs!" He didn't say another word. Lights out! I caught him in my arms as he fell under the power of the Holy Spirit. That was a first-time experience for both of us.

The next morning, I headed to church. On my way, I stopped to pray for a man who was struggling to walk. His name was Eugene. He experienced God's power as his right leg grew. Pain left both his knees and lower back. He then gave his life to Jesus.

But God wasn't done working. After parking at church, I saw another man. Knowing it was God ordering my steps, I went to pray for him. God removed the pain in his collarbone, and the man gave his life to Christ. I arrived late to church, but I was rejoicing!

First thing Monday, I was ready for another God adventure. As I drove to a coffee shop, I saw Eugene, the man from the day before, with his friend, Samuel. Samuel was paralyzed on the right side of his body and had partial brain damage. He agreed to let me pray for him. As I did, I began to move his frozen arm. I did this for about fifteen minutes. After twenty years of having no movement in that arm, Samuel started crying. He said he began to feel light pain, and he softly squeezed my hand. It was awesome! I prayed for Samuel's knee, and God removed the pain. Then I shared the Gospel with Samuel, and he gave his life to Jesus.

I used a three-day weekend to live out the kingdom of God. Everywhere I went, I took Jesus with me. In doing that, I discovered that the world is hungry to see the Gospel lived out. My advice to those who want to step out and operate more in the supernatural is just do it! It's just about growing in it. I'm happy to continue growing through Charis courses. I know I'm in the right place to learn how to be everything God says I can be.
