

WORLD OUTREACH

TRAINING LEADERS. TRANSFORMING LIVES. IMPACTING NATIONS.

Timeline of New Charis Campuses!

World Outreach - How It All Began

The first seeds were planted in 2001. World Outreach was formed to assist Andrew Wommack Ministries in fulfilling **the vision to take the Gospel as far and as deep as possible.**

This is being accomplished by planting new AWM offices and Charis campuses around the world!

In 1997, Wendell Parr and his wife moved to South Chard, England, to open the first international Charis location. This campus eventually moved to Walsall, England, where it is still operating today.

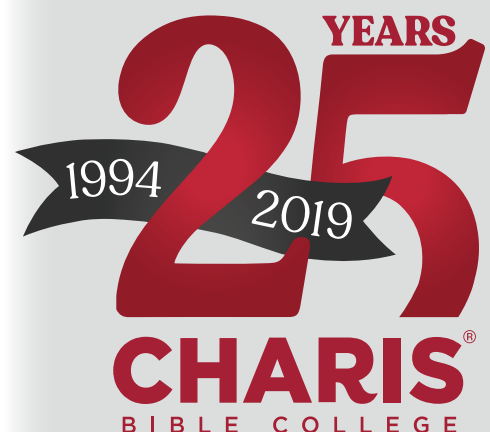

In 1999, Carrie Pickett opened the second international Charis location in St. Petersburg, Russia. The mission to equip faithful men

and women for the work of the ministry had begun on a global scale! This was done by teaching spiritual truths, imparting biblical knowledge, providing practical ministry opportunities, and grounding them in the message of God's unconditional love and grace.

In 2005, Wendell became the Director of World Outreach, and he began providing oversight and assistance with **the opening of many new Andrew Wommack Ministries and Charis locations.**

By 2008, Charis Bible College had expanded to a total of 10 campuses around the world.

**Celebrating
25 Years of
Transforming
Lives!**

**Inviting all Alumni to join
us on 28th September
in Woodland Park, CO**

WS1 9AR • ENGLAND

World Outreach also began the translation of Andrew's materials into many foreign languages. Many of Andrew's books, television programs, as well as some Charis curriculum have already been translated and are now being utilised around the world!

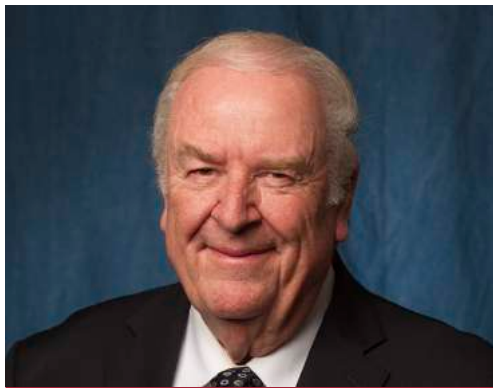

Over the years, the process of opening Andrew Wommack Ministry offices and Charis campuses has become streamlined through more research and staffing. In the beginning, Wendell was running World Outreach himself, which became difficult when he was also appointed Director of Charis in Woodland Park, CO.

Andrew eventually asked him to pick one, and Wendell chose World Outreach because that was where he felt a call in his heart.

World Outreach continued to grow, and in 2014, Wendell was promoted to the position

of Ministry Ambassador. He graciously stepped into his new role, confident that World Outreach would continue to flourish, as it has.

This year were a combined total of over 7,000 active students enrolled around the world!

**Wendell Parr
Ministry Ambassador**

As Ministry Ambassador, Wendell travels to Charis campuses around the world to teach and minister to staff and students.

Over the past 22 years, Wendell has travelled 445,337 miles to support and encourage staff and students everywhere. This is the equivalent of travelling around the

world 17.9 times!

He has the privilege of witnessing first-hand the transformation in the lives of students attending Charis Bible College around the globe.

Wendell says that the greatest reward for him is seeing students' lives changed. Having recently returned from visiting Charis campuses in England, Ireland, and Scotland, Wendell says, "It's great to see the same things happening there as are happening here in Woodland Park. **It's just awesome to see all the people who are getting their lives transformed.**"

World Outreach oversees 16 AWM international offices and 63 Charis campuses around the world!

Thanks to the partners of World Outreach, we are able to continue translating materials, training leaders, transforming lives, and impacting nations through AWM and Charis campuses everywhere!

TESTIMONY:

Our trip to Uganda was life-changing! I have never experienced the love of God and the flow of the Holy Spirit as I have with this team.

We baptised 136 new believers and discipled over 400 pastors in Luuka, equipping them with Bibles and also the Discipleship Evangelism course. We served meals to over 1,200 people, served in the slums of Kampala, and visited the Hummingbird Home, which aids in removing women and girls from the slums. We were truly the hands and feet of Jesus!

The hearts and lives of our team were transformed and bonded together by the love of Christ. As we served together, we grew together into a team of one accord with the centre strand being Christ! World Outreach is truly equipping the saints through Charis Bible College to go into all the world and make disciples.
