UNDERSTANDING Spirit, Soul, and Body

Until you know certain truths, you aren't going to experience victory. People don't like to hear this because it makes them responsible; but not liking it doesn't make it less true. It was true for me the day I received the revelation of spirit, soul, and body.

Over forty years ago, this revelation opened the eyes of my understanding to the Bible and the true nature of God. Everything I teach is based on the revelation of who I am in Christ - who I am in my born-again spirit. I want to make sure everyone knows that this truth holds the key that will unlock God's blessings. Once you understand this, the Bible comes alive.

Every born-again believer has undergone a complete inner transformation.

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. [18] And all things are of God, who hath reconciled us to himself by Jesus Christ.

2 Corinthians 5:17-18

It doesn't say that all things are *becoming* new or have the *potential* of becoming new—they are new the moment we are born again. To understand that we are totally new requires us to understand how God put us together. What part of us did God make new? It's obviously not our bodies, because we are still shaped the same as before. It's obviously not our minds, because we still think the same

and have the same emotions. So what is it? It's our spirits. We are all made up of three parts, which some don't know. Something that helped me make sense of this is that God is three parts too, and we are made in His image. First Thessalonians 5:23 makes it clear: "And the very God of peace sanctify you wholly; and I pray God your whole spirit *and* soul *and* body be preserved blameless unto the coming of our Lord Jesus Christ."

It was easy to figure out that the new part wasn't my body or soul (mind, will, emotions, conscience), so I knew it must be my spirit. His Word confirms this again in 1 Corinthians 6:17: "*But he that is joined unto the Lord is one spirit.*" Similar to the way that sexual relationships produce a physical union, the born-again experience creates a spiritual union. Our spirits become one with God's. Since it's in His Word, we need to believe it, even if we don't quite understand it yet.

This brings up the tough problem of figuring out *how* to apply what's true in God's Word - our new spirits are one with Him - to our old bodies and souls. It's easy to understand both our bodies and our souls. We are receiving information from them all the time. For example, if I put my hand on someone's shoulder, they would know that I touched them. I could also make people feel happy or sad, or I could even hurt them without any physical contact, simply by the words I speak. Those words are processed by the mind and felt in the emotions.

However, you can't feel your spirit that same way. If you don't understand that the spiritual reality can't be felt, then you'll be confused when God's Word declares that you have the same power living in you that raised Jesus from the dead (Eph. 1:19-20). If you think truth can be discerned through your natural senses, you'll be baffled when the Bible says you're

a brand-new creature who can do the same miraculous works that Jesus did - and more (2 Cor. 5:17 and John 14:12).

God's Word reveals spiritual reality. If you want to know what your spirit is like, you must find out from the Word, not rely on emotions or other perceptions. God's Word is spirit and life.

This revelation of the relationship between the spirit, soul, and body has transformed my life. It set me free when I realised that God had already given me everything I needed and it's all contained in my spirit - all I needed to do was release it. That simple understanding changes everything. The Christian life isn't a process of "getting from God"; it's a process of renewing your mind and learning to *release* what you've already received.

If you don't understand that at salvation you have already received in your spirit all that you will ever need, there will always be doubt. You may know it's possible, or even promised in the Word, but you'll be trying to perceive it in the mental, emotional, or physical realm. That's a recipe for failure.

That misconception can also result in a performance-based relationship

with God: "If I'm good enough, if I read the Bible enough, if I pay my tithe . . ." and on and on it goes, in an attempt to motivate God to give you what you need. It's wrong to think that God hasn't already given you everything, and that somehow you have to make yourself worthy enough to get it. You're already worthy because of Jesus Christ and His sacrifice. He paid the price for everything you will ever need. In fact, you've already got it! It's just a matter of understanding the relationship of the spirit to the soul and body.

Understanding spirit, soul, and body is critically important to every believer. It's the key to receiving God's grace. It could be a matter of life and death. And it's the foundation to understanding the rest of Scripture.

For a complete teaching on this subject, I encourage you to get my *Spirit, Soul & Body* package. It contains the *Spirit, Soul & Body* book, study guide, audio book, illustrated DVD, and your choice of CD or As-Seen-on-TV DVD album. GOD Created You for a Purpose

Wherever Andrew teaches, he exhorts believers to fulfill God's divine purpose for their lives. He says, "God intends for us to live a life well-lived. We can do this if we are willing to do more than just go with the flow; even a dead fish can float downstream. Accomplishing the work we were created to do means making a deliberate effort to find, follow, and fulfill God's will." This exhortation is not for a select group of believers. It's for every Christian.

Wherever you find yourself in life, you can start swimming upstream. Charis Bible College was founded to help Christians all over the world to discover their divine purpose and to equip them for the work God has prepared for them.

Personal circumstances can make it difficult to relocate to Colorado and attend Charis, but the good news is that Charis can come to you.

Today, from Pakistan to Portland, students young and old are being transformed and changing the world through online courses at Charis.

We constantly receive testimonies from domestic and international online students, like Edna Klein.

Edna was in her "golden years" and feeling that her opportunities for serving in ministry were over, but God had a different plan. After joining a contemporary church in 2012, ministry opportunities began to open for her, and she eventually became the co-leader on her prayer team.

As she was getting more active in ministry, Charis Online helped her to get the biblical foundation she needed.

Leading her prayer team was just the beginning; the impact she was making kept increasing. "Three years

ago," recalls Edna, "on a mission trip with an evangelist friend of mine, I saw firsthand the plight of the poverty-stricken in Kenya. A multitude of women are trapped in sex trafficking, and many end up imprisoned as a result. [They don't have the means to pay the fine to be released]. If a woman has small children, the children live in the prison with her.

"The Spirit of God opened my heart to the hopelessness I saw in their eyes. Last year, I collaborated with five other people and instituted a non-profit foundation that partners with established and proven ministries to provide financial assistance to people in East Africa. The purpose is to rescue women from sex trafficking and equip them to learn a trade or open a shop to become self-supporting.

"This has been a broadening experience for me that has opened the way for growth in ways I never expected. Each woman represents a household, and knowing that they will never have to sell their bodies again brings me great joy. These are the best days of my life!"

Like Edna, you can take that first step and start fulfilling God's purpose for your life. With online courses at Charis Bible College, you can study with classmates in **Interactive** courses and on your own in **Self-Paced** courses.

Getting started is easy. Go to **charisbiblecollege.org.uk/distance-learning** to learn more. Enroll for your first set of courses and start swimming upstream today!

Please note, the online Charis course is run from the main campus in Colorado, USA. By signing up, you are transferring your personal data outside of the EEA.

MAJOR in Healing with *Charis Healing University!*

I've been teaching on healing for over five decades and have seen many miracles of healing, including my own son raised from the dead after he was already on a slab in a cooler at a morgue. But I'm not the only one around here who has experienced miraculous healings. Duane Sheriff had his grandson miraculously raised from the dead. Greg Mohr experienced healing from sepsis when the doctors had no hope. Ashley and Carlie Terradez not only saw their daughter, Hannah, miraculously healed but Carlie was healed and walked two miles and played tennis on the same day that she had been confined to a wheelchair. Daniel Amstutz has trained

thousands of prayer ministers who in return have seen just about every kind of miracle you can imagine.

Charis is overflowing with ministers who have experienced the miraculous and know how to share it.

So, I was inspired to share all of this knowledge and anointing with you in what we call *Charis Healing University*. It's forty-eight lessons of anointed teaching on healing delivered by myself, Duane Sheriff, Carrie Pickett, Carlie Terradez, Daniel Amstutz, Barry Bennett, and Greg Mohr. It's organised into three sections: *Expect*, *Experience*, and *Empower*. It will not only help you receive healing but also make you a mobile office for the Great Healer, Jesus Christ.

I believe that the Lord inspired me to bring the most comprehensive teaching on healing together in one place. *If you go through the whole Healing University, it is going to be very hard to stay sick.* I'm believing that thousands upon thousands of

people will be healed through this curriculum.

With the curriculum, you not only get access to the online course: there are also thirty-plus videos from our *Healing Journeys* series included. These will inspire you and give you practical application of the things we teach. You also get a book for each section with outlines and review questions, which will help you - or those you teach - meditate on the teachings and get the most out of them.

If you believe that it's God's will to heal but have had trouble receiving healing or ministering it to others, then *Healing University* is for you. You will learn the nuts and bolts of how faith works and hear stories from hundreds of years of combined ministry that will unlock truths to you that will set you free. There's nothing else like this. I encourage you to get *Healing University* today.
