ROE v. Wade

Abortion is an important topic for many Christians. The problem for too many is that's where it stays: as a topic. But this is a matter of life and death. The Bible doesn't give a third option when it comes to things like this.

I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live.

Deuteronomy 30:19

An innocent baby doesn't have the *ability* to choose life. We as Christians have to choose it for them. We've got to speak up for those who don't have a voice. If we don't, who will? This is probably the biggest issue we're facing in America, and that's why I've put so much effort into standing for righteousness on this issue.

This year marks the forty-seventh anniversary of Roe v. Wade, which resulted in the legalisation of abortion in America. Since then, it's estimated that in the US alone, over sixty million babies have been aborted. That's not including New York and California not having to report all their abortions. This is absolutely horrible. If it's ever going to change, it isn't going to be because of progressives and the ungodly. No, they're pushing for more and more ungodliness. They're inventing ways to kill even newborns. That just goes to show that it never was about women's rights, or whether an unborn child is a human. Scripture settled the issue of when human life begins long ago.

Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the

nations.

Jeremiah 1:5

Right here it says that before Jeremiah was ever birthed, God had called and ordained him. The idea that a child, as long as he or she is in the womb, is just a hunk of flesh and not a real person is a lie. God - the creator of all life - put in His Word that human life starts long before a person is even born. The Apostle Paul said that he was separated unto the grace of God from his mother's womb (Gal. 1:15). You can also see that Elizabeth, when she was pregnant with John the Baptist, said, "The babe leaped in my womb for joy" (Luke 1:44). The angel Gabriel told John's father that his son would be filled with the Holy Ghost from his mother's womb (Luke 1:15). God doesn't fill a hunk of tissue; only a person can be filled with the Holy Spirit! I tell you, we have had a lie go forth about what constitutes human life. Because of it, millions - possibly billions of children - have been murdered in the womb, which should be the safest and most sacred place on this planet. We must take a stand. I'm speaking the truth out of love (Eph. 4:15).

I know people who have been affected by every aspect of abortion. It's another lie when you're told there's nothing to it, that it's just a simple procedure. Besides the baby's death, I hear reports of even maternal death linked to abortions. Nobody wins with this "procedure." Well, the devil does.

You see, the world will tell you that abortion is a personal affair, divorced from spiritual things. But that's not true. The devil hates all life, and he's propagating his agenda through the world's system, trying to disguise it as something else. This is more than just an important topic. This is a battle for life! We must wake up and choose life.

I was convicted about this years ago and decided I was going to start a pregnancy centre. When I was in the process of getting a 501(c)3, I found out that there already was a centre in Colorado Springs - it just hadn't been publicised. I went and found the woman who ran this pregnancy centre to see if I could help

INTERVIEWS AND TESTIMONIES

If you or someone you know is unsure about what the Bible says about abortion, get Andrew's *Choose Life! Interviews and Testimonies*. This USB drive contains real stories of people who have survived abortions and shows how abortion affects the lives of women and their unborn. Included with the USB is Andrew's *Observing All Things* booklet, which covers abortion, creation, and homosexuality. Get them today!

get the word out. I rented a spot at the mall where I played *The Silent Scream* film for two weeks. I also passed out cards promoting the pregnancy centre, and in a year's time, it went from having three contacts to well over a hundred a month! We even had a front page ad in The Gazette Telegraph in Colorado Springs announcing that because of the pregnancy center, the abortion rate in El Paso County was cut in half, and in the state of Colorado, it went down by one-third! This is what can happen when we get involved!

You might say, "What can I do?" First, you can pray about it. God will show you something to do. He'll probably have you start with your circle of influence, people you can touch. You have the truth. When you hear people talking about things that are counter to the Word, tell them the truth. It's the truth that's going to set them free (John 8:32).

During my *Gospel Truth* television program in January, I will devote five programs to *Roe v. Wade* 20/01/20 - 24/01/20. I'll be conducting interviews with women whose lives have been profoundly affected by abortion. Their testimonies will be packaged on a USB with other interviews I have previously done with women who have been similarly impacted and are now some of

our greatest advocates for the lives of the unborn. The USB, *Choose Life: Interviews & Testimonies*, will come with my booklet *Observing All Things*. The booklet is a discipleship tool covering important social and civil issues in society (creation, abortion, and homosexuality). Please get these materials today. They're bound to help you take a stand for truth in our culture!

March 23, 1968:

Andrew receives a supernatural touch from the Holy Spirit, launching his career in ministry - and forever changing the lives of countless millions around the globe.

Supernatural encounter

Teaching has always been at the heart of Andrew's ministry. And now there is a new way for Andrew Wommack Ministries to teach the Word of God: curricula! In 2018, the Lord told Andrew to start developing and releasing curricula for the rest of his time in ministry. The Lord showed Andrew that these curricula would be "multimedia"; that they'd be made up of lessons that could be:

- Watched
- Listened to
- Studied individually with accompanying workbooks
- Studied in a group setting with printable worksheets
- Enhanced with video testimonies that support the subject matter

The Lord put two curriculum series on Andrew's heart: the *Charis University* series and the *Biblical Worldview* series.

Debut of Gospel Truth

January 3, 2000:

Andrew's program, *The Gospel Truth*, debuts on television. The Lord tells Andrew, "You're just now starting your ministry."

January 31, 2002:

The Lord speaks to Andrew from Psalm 78:41, saying that Andrew had limited Him by his small thinking. Andrew repented. . . and enlarged his vision.

Don't Limit God

Debut of Curricula!

August 13, 2019:

The first curriculum in the ministry's fifty-year history, *Charis Healing University*, debuts during the annual Healing Is Here conference.

CURRICULA:

The newest ministry milestone!

The *Charis University* series

Charis Healing University is the first installment in the *University* series. It is a boxed set curriculum made up of three sections: **Expect**, which helps students believe for healing; **Experience**, which helps students receive the healing they're believing for; and **Empower**, which helps students minister healing to others.

The curriculum includes the following for each of the three sections: sixteen lessons in both video and audio formats, two Q&As in both video and audio formats, video testimonies, a workbook, and printable worksheets for group study. The lessons are taught by Andrew and six other anointed Charis Bible College instructors. The next installment in the *University* series is already in the works: *Charis Relationship University*. It will have the same **Expect-Experience-Empower** format. Watch for the boxed set in 2021!

Charis Relationship University - Live on Campus! As a precursor to the *Charis Relationship University* boxed

set curriculum that will be released in 2021, Charis Bible College is hosting *Charis Relationship University - Live on Campus!* This live stream will be broadcast Mondays at 8 p.m. GMT, 13th Jan through May 2020, at **live.**

awmi.net. This is a place where you can share concerns and ask questions **anonymously** in a safe environment - just text us at +1-719-212-2555* to participate. Your questions might even be answered live and integrated into the curriculum for this new course.

The *Biblical Worldview* series

The *Biblical Worldview* series will also be a series of multimedia boxed-set curricula, but it will differ from the *University* series in the following way: the lessons will be taught by Andrew and leading biblical worldview experts from both inside and outside of the ministry. The first installment in this series, *Foundational Truths*, will debut in July 2020 at the ministry's annual Summer Family Bible Conference. The second installment of this

series is already in the planning stages: *Biblical Worldview: Sexuality*.

When the Lord asks Andrew to do something, He usually asks him to do something big. But "*Faithful is He who calls you, and He also will bring it to pass*" (1 Thess. 5:24). So while entering the world of curricula is a major milestone for the ministry, the Lord has given Andrew everything necessary to do it with excellence - and to make everything that is ours in Christ even easier to believe and receive!

AWMPACT: *REACHING Vietnam!*

Go therefore and make disciples of all nations.

Matt. 28:19 (ESV)

At Andrew Wommack Ministries, we're serious about fulfilling the Great Commission. And one of the ways that we're doing this is through the Discipleship Evangelism (DE) program, a forty-eight-lesson discipleship course that is made available by our Discipleship Evangelism Missional Outreach (DEMO) team, headed by Mark Rowe.

Lesley, Mark's wife and the DE translations manager shares, "The Gospel message contained in the DE material has proven to transform the lives of individuals, families, communities, and nations throughout the world! There are currently thirty translations available as a free PDF download from the AWM DEMO webpage, and another

twelve translations are awaiting completion. This is how DEMO supports Andrew's vision of taking the Gospel far and deep."

God continually opens doors for the DE material to be translated into more languages, enabling us to take the Gospel to the unreached!

In 2018, Mark and Lesley addressed the Charis Woodland Park first-year students and taught on the work of DEMO and its translations of the DE material. "As a result," Lesley says, "a first-year student, Lan, approached me, having been inspired by the success stories of the DE program and offered her time and skills to translate the DE material into her native Vietnamese language. I had been praying for some months for an opportunity to start working on such a project but had had little or no contact with Vietnamese speakers who were also preferably a student, graduate, or partner of the ministry. Therefore, her offer of help was a godsend and answer to prayer, but we still needed an independent Vietnamese proofreader. I recall saying that 'we would pray a proofreader in.'"

As always, God was faithful, and during an unadvertised visit to Vietnam in August 2019, Lesley was surprised to run into Lan, their U.S.-based

translator, who also happened to be in Vietnam at the time, visiting her sick grandmother. Through a series of divine appointments, Lesley and Mark were introduced to Lan's mother's pastor (referred to as Pastor X below to protect his identity).

"We had an amazing time with this young, faith-filled man who shared his story with us," Lesley remarks. "We in turn testified how we, as pastors, had used the DE material in our own church, how the DE material is used throughout the world, and how it could possibly benefit him. We could not have orchestrated this meeting - yet God had gone before each one of us and had guided our steps from all directions to meet in Vietnam, and Pastor X kindly agreed to volunteer as proofreader." Pastor X has now proofread several Vietnamese DE lessons.

"With his input," says Lesley, "we aim to have the Level 1 Vietnamese DE course available as a free PDF download by the beginning of 2020. What a blessing!"

Check out all our free translations of the DE course at awme.net/about/demo. Because of your faithful support, we are reaching the nations, and the people of Vietnam *will* be disciplined for Christ!

Charis Bible College is like a bridge that helps people cross from a "normal" life to one that is supernatural. That's the Destiny Story of Jon Rand, a Charis graduate and corporate executive of a broadcast company. As Jon followed his journey, he discovered that he was going to be the divine connection between God and a group of people that were praying for a miracle.

During his second year at Charis, Jon's mission trip took him to the city of Suretka in Costa Rica. Jon and his team were taken to the indigenous tribal village of the Bribri, to visit a home church there. Jon recalls his experience: "As we walked up to the home church . . . I was impressed by the simplicity of the gathering place. The congregation met under a black tarp stretched from the eaves of the home. It stretched out into poles in the yard and pulled tight to the trees on either side."

At the end of the service, Pastora Xinia Aguirre told the Charis students that her congregation was believing for a church to be built on that site by 2018. Jon heard God say to him, "See to it that they get a church built." Jon understood that God was not asking him to do it by himself. His part was to raise the money and manage the project.

To buy the land and build the church, Jon needed to raise \$14,000. He started fundraising as soon as he got back from his mission trip. The amount was raised within three weeks, and by the end of the fundraising campaign, \$17,200 had come in. It was a true miracle! God provided a church for His people in Suretka.

Pastora Aguirre shared her gratitude saying, "*Gracias a Dios* (thanks to God) . . . This church is going to show a living Christ. People will see that God is doing something big in this place." Thanks to the support of friends and partners of this ministry, students like Jon can go out and be the bridge that connects people with the blessing of God!
