You've Already Got It!

You've Already Got It!

It's in the Spiritual Realm

Whatever it is you've been believing for, I've got good news for you: You've already got it! You're already healed, blessed, prospered, and delivered. God has already provided everything you'll ever need.

But you might be thinking to yourself, *Well, it sure doesn't feel like it!* That's because you're only looking at things in the natural.

Most people limit what they perceive as reality to just this physical world: what they can see, taste, hear, smell, and feel. But there is an entire spiritual world out there. Not only is it out there, it's also inside you. You are not only

made up of your physical body and your mental, emotional part, but there is also a spiritual part to you. And it is this spiritual part that has the glory of God in it. However, most people do not recognise this. So, they only go by their senses.

People think that if they feel bad or discouraged, that's just the way they are. But the truth is that if you're born again, you always have love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, and temperance in your spirit (Gal. 5:22–23).

In the book of Ephesians, Paul prayed this prayer for the believers of his time and for those who would read it thousands of years later:

*That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: **The eyes of your understanding being enlightened; that ye may***

know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power.

Ephesians 1:17–19
(emphasis mine)

We can see from those verses that **Paul was praying that believers would know what they already had** in the spiritual realm.

In John 4:24 Jesus said, *"God is a Spirit: and they that worship him must worship him in spirit and in truth."* He also said in John 6:63, *"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life."*

The only way to understand that you've already got what you need - when everything in the physical says you don't have it - is to recognise that there

is more to reality than just this physical realm. You need to see into the spiritual realm, and the way to do that is through the Word of God. Faith in God's Word is the bridge between the physical and the spiritual realm. Faith in God is faith in His Word.

Hebrews 11:1 says, *"Now faith is the substance of things hoped for, the evidence of things not seen."* The truth is that faith doesn't move God because God has already moved by grace. All faith does is reach out and appropriate what God has already provided. **It's not a matter of trying to get God to do something. It's a matter of believing what He's already done, taking your authority, and learning how to release what He has provided.**

Once you understand that God's part is done, it makes it so much easier to receive something that's already yours than to try to get something you don't believe you have. Faith says, *"If He's already provided it, then how can I doubt that I will get it?"*

A good example of this is in 2 Kings 6:15–17, where Elisha prayed that his servant's spiritual eyes would be opened. His servant was terrified because the Syrian army had surrounded their city. Elisha had been giving the battle plans of the king of Syria away to the king of Israel, so the king of Syria had come for them.

In verse 16 Elisha said to his servant, *"Fear not: for they that be with us are more than they that be with them."* In the natural, if all you believe to be true is just this physical, natural world, then you would say Elisha lied. But Elisha prayed, *"And the Lord opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha"* (2 Kgs. 6:17). In the spiritual realm, there were tens of thousands of angels completely surrounding them. And to think that this was under the Old Covenant.

Hebrews 8:6 shows that what they had is inferior to what we now have as New Testament believers. **We have a better covenant that is established on better promises.**

God is awesome, but you can't always see Him in the physical realm. You have to have faith in His Word. It is the window through which you see what is happening in the spiritual realm. It also shows you what's happening on the inside of you as a born-again believer - who you are, what you have, and what you can do in Christ.

Faith gets you to the point where you can believe the image that the Bible paints of you. **It is a positive**

response to what God has already provided by grace. So reach out by faith, and take what God has already provided for you!

These truths of *You've Already Got It!* have revolutionised my life! Since I've been teaching it, we've seen so many miracles in the lives of people who have understood and applied it. I have the teaching as books and study guides in English and Spanish. We also have the CD and DVD series and a product package. Maximize Your Giving to the Kingdom!

Matthew 6:33

But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

Have you been wanting to give more to the kingdom but aren't sure how? Gifts of appreciated securities, such as stocks and mutual funds, are smart and simple ways to maximize the effectiveness of your charitable giving. With a little planning, your gift can have a 20 percent greater impact!

If you've held stocks, mutual funds, or other appreciated securities for more than a year, **a gift of one of those investments could be worth 20 percent more** than if you sold the asset and then gave the cash as a donation. The reason is simple: elimination of taxes.

By donating the asset directly to Andrew Wommack Ministries (AWM), you avoid paying the capital gains tax that would be due if you sold the asset. This tax saving remains with the ministry, thereby maximizing your donation. In addition, when filing your annual taxes, you will be eligible for a charitable deduction **on the full amount** of the asset donated.

Here's what some of our partners, who use this method of giving, are saying:

"My wife and I agree that giving stocks or bonds is so easy that we have made it our primary way to give. Our accountant had suggested that giving stock was more advantageous than giving cash seeing how it could provide more liquidity in our portfolio. We love to give and sow into the kingdom of God through AWM and feel blessed that this option is available to us."

— James and Tracey S.

"It was very easy for me to partner with AWM by giving stocks. It helped me maximize my giving to this life-changing ministry by taking advantage of special tax benefits available when giving stock. Thank You, Jesus, for the privilege of being part of Your kingdom and for giving every one of us a hundredfold return in this life!"

— Alain A.

"Making stock donations has allowed us to increase our annual giving and strategic planning. Instead of paying taxes on income or selling stock and paying taxes prior to giving, it allows us to give gains to the church. This strategy allows us to give more than we typically intended to or budgeted. We've found that we are giving more than we did before, and it brings joy to us that we are able to pass on those blessings to groups like AWM."

— Jackson and Beth R.

When you give to Andrew Wommack Ministries, you get returns on your investment right here on earth as well as in eternity!

If you're human, then you have troubles. Either you're coming out of trouble or one's coming. But you know what? God equipped us for every trouble we have. There's grace for it.

In Philippians chapter four, Paul gives five major principles for dealing with trouble. They are *F* for **focus on the love of God**, *A* for **always take the servant's role**, *I* for **involve God in prayer**, *T* for **take control of your thought life**, and *H* for **handle your business**. If you spell those out, it's called **faith**. Faith is the underlying thing that's going to get you through problems.

The first and most important thing when faced with a trial is to **focus on the love of God**. Paul addresses this principle in Philippians 4:1 using five terms of endearment.

When you focus on God's love and that you're **beloved**, you're **longed for**, you're **the Lord's joy**, you're **the Lord's crown**, and you're the Lord's **beloved**, you can stand fast in His love.

The second principle is to **always take the servant's role**. In Philippians 4:2 we find two ladies fighting in the church, so Paul tells them to be of one mind. This is having the same mind as Jesus who became a servant and humbled Himself to the point of death (Phil. 2:5).

In conflict, we need to take the servant mindset and die to self sometimes. To do

this in a relationship problem, you humble yourself to the Lord, look vertically, and start rejoicing in Jesus (Phil. 4:4).

The third principle when you have a problem is to **involve God in prayer**. When you have cares, you have problems you need to turn over to the Lord. Philippians 4:6 says, "*Be anxious for nothing*" (NKJV). There's nothing too big or small to talk to God about.

The fourth principle Paul talks about in Philippians is to **take control of your thought life** (Phil. 4:8). Our tendency is to meditate on our problem. Paul says you should filter your thoughts.

Finally, the fifth principle is to **handle your business**. This means to do what you know to do (Phil. 4:9). Do the Word. The enemy comes to steal the Word out of your heart. He is not going to take something out of your heart that's not there.

In the Christian walk we're usually failing in one of the fundamentals. If you'll focus on these five principles and let the Lord lead you, I believe that He will navigate you through the waters of trouble. You'll triumph in any trouble today. **GT**
