Incredible Healing in South Africa

"One day, I was in the gym and couldn't hold on to a very heavy weight. The weight fell, and I burst my L4 and L5 disks and broke my back in several places. I was at the lowest point in my life - all alone and my career was over. I called out to God (not knowing if He even existed) and asked [Him] to send me to the right people."

- Leon Cronje, Student,
Charis Cape Town, South Africa

A shattered spine restored.

Absolutely nothing on this earth is too big or too hard for God to accomplish. So why are we so surprised when He heals our bodies - especially when it is so easy for us to accept His healing of our souls through salvation? Today, we have a testimony of God accomplishing both.

Meet Leon Cronje, a student at Charis Bible College Cape Town, South Africa. His testimony of what God did in his life and the healing that he experienced is nothing short of incredible.

"For thirty-six years, I was living a very worldly life. I was a rugby coach at the time and had just been divorced." It was at this time that Leon had his terrible back injury. "I called out to God (not knowing if He even existed) and asked [Him] to send me to the right people."

It is so like our God to intervene in moments like this, when we are at our deepest and darkest, in order to bring us to Himself. "I went to my physiotherapist, Incredible Healing in South Africa Mari, to help with the muscle spasms, as I had to

wait for my doctor to get back from America before I could go into surgery.

"What I did not know at the time was that she [Mari] went to Andrew Wommack's conference in Heidelberg three years before and that she had been sharing the truth with all her patients and discipling them every evening. That day, for the first time, she mentioned God to me, and I wanted to know more. I went to her house, and there she prayed for me to be born again. She began to get tired of my pain and started praying for my back to be healed as well. Three hours later, all my pain was gone." Hallelujah!

The following day, Leon went to the doctor and asked for a new MRI. As the doctor looked with surprise at the new scan, he asked,

"How hard did you pray?" True healing begins in the soul, when a son or daughter of God completely gives his or her life up to Jesus. God not only completely healed Leon's broken back, but He saved Leon's soul.

Leon later married Mari, and they began doing ministry through Africa together. They read every one of Andrew Wommack's books and teachings and disciplined many using Andrew's *Discipleship Evangelism* course. Leon and his wife finally made the decision to become Charis students in Cape Town, South Africa, at the end of 2019. Since then, they felt called to plant a church on a farm outside their community. Fifteen of their congregation are Charis students, and the numbers continue growing. "Since we have started [Charis], our marriage has been strengthened like never before. God has blessed us with the Charis community so much."

"Joining Charis was the best decision that we could ever have made!"

"Andrew's ministry has changed our lives forever and is still doing so. It is a blessing to be able to share the Good News with others."

The perseverance of the Gospel.

There is an awakening happening in Africa. A light is shining, and His name is Jesus. Isaac Akowuah is the Regional Director of all Charis Africa, and his wife, Anneline, is the Director of AWM South Africa. Together, they form an unstoppable team with the sole purpose of spreading the love of Jesus to all they meet. Between all three Charis campuses in South Africa, there are a total of three hundred and thirty-seven registered Charis students.

It is through the perseverance and the daily dedication to the Gospel that the Akowuahs are seeing tremendous spiritual growth happen throughout Africa. We praise God for Isaac and Anneline and the entire Charis Cape Town, South Africa team who continue to work so tirelessly for the kingdom.

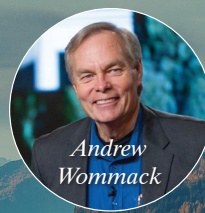

The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness.

- Lamentations 3:22-23
