Miracle baby

Charis Poland mission team to Bulgaria

CHARIS POLAND BEARS FRUIT THAT REMAINS

I chose you and appointed you that you should go and bear fruit, and that your fruit should remain.

John 15:16, NKJV

As our Charis Bible College locations around the world disciple more students than ever before, our focus remains on raising up Bible scholars who have not only head knowledge but also heart knowledge and who are **empowered to walk in their God-given anointing, bearing everlasting fruit no matter where they go.**

Miracles in Bulgaria

On a recent trip to Sofia, Bulgaria, our AWM/Charis Poland Director, Lukasz Buchnajzer, saw his team of students wield the message

of God's unconditional love and grace to break through the religious walls of the Romani (Roma) churches. Led by the Holy Spirit, the team saw healings, miracles, and breakthroughs of every kind, including the healing of one five-year-old boy with hearing aids who received his hearing after our students laid hands on his ears.

"After prayer, I asked through our interpreter if the boy can feel a difference in his hearing," shares Lukasz. "The mother came to the front of this small church in tears. We found out that the boy was really healed during that prayer, and he could hear! Hallelujah!"

The Fruit Remains

While the seeds of God's Word sprouted miracles everywhere

they went, Lukasz also used this time to visit the Bulgarians who had received healing during prior Charis mission trips, desiring to see that the fruit of those prayers remained.

In church after church, testimony after testimony of lives forever changed still stood, including that of one formerly crippled girl who has enjoyed the last three years walking pain-free.

"We were praying for a Roma girl who had one leg shorter than the other and was walking with crutches," Lukasz recalls from their 2019 mission trip. "When one of our students prayed for her, her leg grew and was even with the other leg. The girl still has even legs and is a beautiful teenager now."

He continues, "In another Roma church, we found out that the

elderly lady who was prayed for in March 2017 still walks without a cane. Again, in April 2019, . . . our students were praying for a married Roma couple who couldn't have children, and when we came back in March 2020 with another mission team, we found them with a beautiful, few-months-old boy." And the list goes on!

Training Mature Believers

Charis Poland's latest mission trip serves as just one example of the dozens of trips that our Charis students embark on each and every year worldwide. Andrew requires these mission trips for our second-year students so that as mature believers, their fruit remains—**and many of our students refer to their mission trip experience as their favourite part of their education.**

"The mission trip is an event in the Charis students' lives that all two years of school lead up to," Lukasz continues, "Learning how to teach, how to witness, how to pray, how to bring people to the baptism in the Holy Spirit—all this is tested on the mission trip."

To the friends and partners of Charis World Outreach, we want to say thank you. Through your support, **Charis Bible College students around the world continue to grow into**

mature disciples of Christ who minister everlasting change to those around them.

"I would like to thank World Outreach Partners for their faithful and regular support," shares Lukasz. "People call our ministry in Poland and thank us for Andrew and his teaching available in our language. The message of God's unconditional love and grace is reaching Poles who are tired of religion and deadness."

As we prepare for a spiritual harvest unlike anything we've ever seen before, we look forward to seeing not only healings, miracles, and breakthroughs, but the fruit of God's Word remaining for generations to come.
