Martha and Rio's Family

FAITH THAT MOVES MOUNTAINS: A DOWN SYNDROME DIAGNOSIS REDEEMED

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

James 1:17

Across the world, lives are being transformed by the unchanging goodness of God revealed through His Word. And you, our World Outreach Partners, are part of every miracle. Every seed you sow carries the life-giving truth of the Gospel into hearts, homes, and families you may never meet this side of heaven. Your impact truly reaches across oceans and generations.

Among those touched by this message are Martha and Rio, a couple who discovered Andrew Wommack's free teachings while living thousands of miles away in Dubai. When they received devastating news about their unborn son, the Word of God—and the faith that came alive in them—brought strength, peace, and hope.

Speaking Life over Their Unborn Son

New to Andrew Wommack's teachings, Martha and Rio leaned on their newly built foundation of faith when doctors told them their baby showed multiple signs consistent with Down syndrome. **Instead of giving in to fear, they believed their son would come into the world completely healthy.**

Martha shared, "Every month I went for a scan, and she would show me the screen, saying, 'This is wrong with your child, and this is wrong with your child.' And I would just say, 'No, I don't believe that report. I cancel it.' She thought I didn't understand the seriousness of the situation. But from that day on, we had Andrew playing in the house all the time. We just couldn't get enough of his teachings."

Rio added, "We used to speak Scripture, put our hands on her stomach, and say, **'Thank You, Jesus, that the child we receive is perfect.'**"

A Healthy Baby Boy

Martha Graduating from Charis

Martha continued, “This child was a gift from my Father. Every good and perfect gift comes from Him. **So we chose to believe the Word, not what the doctor said.** We spoke life over our child.”

Faith That Overturned a Doctor’s Report

As Martha and Rio filled their home with faith instead of fear and clung to God’s promises, they saw the mountain move. **When their son was born, every doctor’s report confirmed what their faith had already known—he was perfectly healthy.** The signs of Down syndrome were gone. Every test exceeded expectations, and he met each milestone, often ahead of schedule.

Now, sixteen years later, their son continues to thrive—a living testimony of God’s goodness and the power of believing His Word.

Today, the family lives in the United Kingdom, where both Martha and Rio have graduated from Charis Bible College, with their daughter soon following in their footsteps. Overflowing with gratitude, Martha now pours hope into others. Leading Charis Bible Studies and ministering in prisons, she shares the story that changed her family forever—so others can experience the love of the same miracle-working God.

A Living Testimony That Inspires Others

“We’ve been blessed over the last sixteen years to help many couples facing challenging situations like this,” Martha shared. “We pray with them and encourage them. So when people come to us with a

diagnosis they’ve received from the doctor, we just say, “Look at our son. We’ll show you his medical report, and we’ll give you a scripture that will help you.”

Martha continued, “All we have to do is put our trust in what God has promised. And it works! We’ve seen couples who couldn’t have children receive miracles. They’ve come back with their children and shown us. It’s amazing how our one experience can change so many.”

Rio shared, “The Word says that **faith can move mountains, so we just teach people how to have faith, believe, and receive.**”

Your Giving Is Impacting Families

Stories like Martha and Rio’s are only possible because of you—our World Outreach Partners. Every seed you sow goes far beyond printing books, editing television programmes, or translating Bible college curriculum. Your partnership is transforming hearts, healing bodies, and rewriting the future of families across the globe.

Through your giving, the truth of God’s Word is reaching people who might never have heard it otherwise, empowering them to stand in faith and see mountains move in their own lives.

As Rio so powerfully says, “Without Jesus, we are nowhere. Jesus is the centre of our lives, and with Him at the centre, we will move mountains.” ♦

Faith is moving mountains because of your giving. Keep changing lives—visit **awme.net/world-outreach-donate/** or scan the QR code today.
